

SMSC at Grange Primary School

SOCIAL DEVELOPMENT

At Grange we provide the following activities to support the social development of the children:

- Provide positive corporate experiences including assemblies, team activities, residential experiences, school productions.
- Curriculum opportunities that provide opportunities to listen and talk to each other, to agree and disagree, take turns and share equipment and to work cooperatively and collaboratively
- Opportunities that encourage taking responsibility including class helpers, register helpers, playleaders and buddies
- Opportunities for the children to work individually, in pairs, groups and as a class.
- Each class has a link governor.
- Teamwork in PE and games both in our school and with other local schools.
- After school clubs
- Dinner time clubs
- Breakfast club
- EYFS social days that include parents.
- Attendance awards.
- We take part in charity events.
- We go on many different educational visits.
- We have links with our local secondary school.
- We have the QiSS Award.

As a result of providing these opportunities the children at Grange develop a sense of:

- Successful participation in the community.
- Effective skills to work and live with each other.
- Effective functioning in a multi-racial, multicultural society.
- Positive interpersonal skills and therefore successful relationships.
- Personal qualities including thoughtfulness, honesty, respect for difference, moral principles, independence, self respect, leadership and responsibility
