

Dear Parents and Carers,  
I hope you have had a restful Easter break. We have loads of exciting things taking place this term. Please read the curriculum newsletter to learn more about upcoming school visits and the topics being studied.

Pupils in year 6 have been working very hard in preparation for their SATs tests in May. Please join me in wishing them every success; with a lot of effort and a positive attitude, I am sure they will do well.

Well done to all the children who took part in Red Nose Day at the end of last term. All the children enjoyed taking part in a sponsored bounce and wearing red. We managed to raise a massive **£374.57** for charity.

Thank you to you all for your continued support, please input your views about Grange on Parent View, accessed via the school website.

**Reminders:**

**School is closed: Monday 1st May for Bank Holiday**

**After School Clubs start: Tuesday 2nd May**

Many thanks

**Mrs D Smith Head teacher**

**THANK YOU**  
for supporting Red Nose Day

## Year 6 SATs

As you all know, SATs are just around the corner, therefore we would like to advise that children carry out revision in their own time. Please take an interest in your child's learning by encouraging them and sitting with them. A good tip is to let your child teach you what they already know and have been learning about. This will help them to gain confidence in themselves. Also please ensure your child attends booster classes.

Your child's attendance is very important and we are continuing to closely monitor all pupils.

Attending school everyday gives your child the opportunity to make friends and feel included, increases their confidence and self esteem and allows them to reach their full potential.

If you need any help or advice or are struggling with your child's attendance, then please let the school office know and we will do our best to provide you with the right information and support.

We are here to support parents/carers and children whenever they need it.
