

Grange Primary School

Parents and Carers,

I am so proud of the positive attitude pupils at Grange have been displaying lately. They have taken on board the growth mind-set and have really worked hard at improving their learning. This is particularly true of the pupils in year 2 and year 6 who are taking end of key stage tests this month. I wish them the best of luck and ask them to remember that learning does not happen by mistake; it takes hard work and resilience to improve; so keep up the hard work.

In line with our values 'Growing the Seeds for Lifelong Learning', our focus this week is '**always trying your best.**' Certificates will be awarded in Friday's assembly to those who have really tried hard to improve their work. Please check out our website for this week's chosen pupils and encourage your child (whether they have been chosen or not) to keep on trying when they find things difficult; for they will succeed in the end.

The overall percentage of school attendance improved last month. Our target is for pupils to attend school over 96% of the time, in line with the national average. Please help us by ensuring your child attends school every day.

Thank you for your continued support.
Mrs D Smith (Head teacher)

After School Clubs

Children who attended clubs last term will continue to have their places.

Please remember: Your child can only attend a club if they have been given a permission slip stating they have a place.

If your child has not received a permission slip then please note their name will be on the waiting list.

Any parents/carers/family members who would like to help and volunteer to run a gardening club—please speak to Ms Khan.

April's Monthly Attendance

Class	Monthly %
1	96.6%
2	94.1%
3	96.4%
4	95.0%
5	96.0%
6	97.5%
Overall	95.9%

Attendance is an important factor in your child's education. Here at Grange we are trying our best to raise our attendance level to the **National Average of 96%**.

Please help us to reach this target together!

We completely understand that children can become sick and might need some time off for medical appointments. In those cases, please provide evidence so that we can keep a log of this. Thank you for your support.
