Spring Term—March Issue

2018

We have a saying at Grange primary **'try and try and try again until you succeed at last'** and children have been displaying this 'growth mind-set' through the progression in the work they produce. Please support us in encouraging your child to have a go and try at things they find challenging. We firmly believe that it is your attitude that determines your altitude, how far you go. This half term, the football team displayed such a mind-set, when after a period of losing; they drew for the first time at a match on Thursday. When asked what was different this time, they said that 'We never gave up; even though they scored against us, we tried our best to come back.' We value your support and are always available to discuss any concerns you may have about your child's learning. After school parent meetings are sometimes not well attended, please let us know what we can do to improve this. Have a lovely Easter Break and stay safe; just a gentle reminder that the clocks go forward on Sunday 25th March 2018.

NSPCC Internet Safety Workshop

Thank you to all those parents who came to the NSPCC Internet Safety Workshop and the lovely Caroline from NSPCC who came and spoke to us about how we can keep our children safe online!

Caroline gave some great tips about how we can understand more about the online world: Ask your child to show you their favourite things to do online, explore the online world together and set boundaries and look at NSPCC Net Aware to find out more information on the commonly used apps.

World Book Day

As a school that is passionate about encouraging children to read, it was great to see so many children take part to promote a love of reading. The day consisted of classes being paired up and children having a reading buddy to share a storybook.

We also had a special assembly, where the children learned about reading around the world and the importance of it. Children also had a chance to parade their wonderful costumes for their favourite book character.

Thank you to all that made an effort to make the day a success!

Don't Forget you are all welcome to come along to our Coffee Mornings

**Friday 23rd March
9:15am — 10am**

Come along & have a chat! Have a chance to socialise with other parents!
