Summer Term—April Issue

2018

Dear parents/carers, welcome to the beginning summer term. I hope you had an enjoyable Easter break. We have a busy term ahead and as always, there is a continued focus on learning. Please see below for up and coming dates. Sports relief was a great success and as you can see below, we have managed to raise a considerable amount of money for charity. A big thank you to all those who gave a donation to participate in the morning exercise. It was a great fun and will now take place on a regular basis, as a result.

End of key stages tests will be taking place next month. This is an important time of the year for children in years two and six. Please support them by encouraging them to try their best and ensuring all the homework set is completed.

Nursery will be used as a polling station on the 3rd May, please note the school will be open as usual.

Thank you for your continued support.

Kind regards

Sports Relief Day!

Well what a day we had! Thank you to all those parents and children who participated in the morning jog around the playground. Children were so excited to join in and see how many laps they could do! What a fun way to encourage exercise and highlight awareness for Sports Relief.

Later on in the day we had our speed challenge. All pupils did exceptionally well and the winner from each class received a trophy!
