Headteacher
B.Ed. (Hons), NPQH
Date: 30th April 2020

Dear Parents/Carers,

I hope that you and your loved ones are keeping safe and well. It is a difficult time for all but, if we continue to work cooperatively, together we will get through this.

Thank you to those who have already joined. I just wanted to let you know that our new learning platform, Google Classroom, has now been launched and your child's teacher cannot wait for you to join her and the other pupils. Google classroom will not only provide an opportunity for the class teacher to set and respond to work but will allow for the sharing of a range of activities from our Art, Music and PE teachers. We have tried to make this as exciting as possible and have uploaded a range of tutorials to go alongside the learning. Our PE coach has also been busy helping you the family to keep fit by making a variety of keep fit videos for you to access.

Please do look out for the personalised message from your child's class teacher.

If you have yet to join, just respond to the Parent Mail sent out. For those of you who have not signed up to Parent Mail, if you send an email to info@grange.newham.sch.uk, with your child's name and class, details on how to join will be sent to you.

Please note if you who do not have access to the Internet or an item of technology, we will arrange for a learning pack to be made up for you. All you have to do is contact the school office.

Thank you for your continued support and stay safe!

Yours sincerely

Mrs Smith
