

Grange Primary School

Lilhat

Grange Primary School provides great quality of learning. There are interesting books from the childrens most favorite authors. The playground is the most related area.

The classrooms teach all the subjects from Geography and History to computing and swimming for year 3, year 4 and some year fives. The assembly hall could fit from nursery to year 6.

The certificates are for to celebrate the victory of the children. There are afternoon intervention to teach your child how to read. There is attendance if the children get 100% attendance they can watch a movie and have extra play.

Clubs are for people who wanted to do something.
