

Grange Primary School : by Manha Ahmed

Grange Primary provides the best quality of learning for children. At Grange, there are really kind and respectful teachers and students. No one would ~~bullying~~ bully you or hurt you at Grange!

When you go to the library at Grange, there are lots of interesting, enthusiastic books that you will be determined to read. The playground is so big that a giant, colossal human could sit in it! Our assemblies are very exciting, our assemblies are held at Monday, Wednesday and Friday. There are certificates for best handwriting and best behaviour, maybe you could win one.

There is also lots of pieces of art around the corridor, they are fascinating to look at. Also, there are types of fun after school clubs that you would love. There is art club, spanish club, gardening club, sewing club and so many clubs more!
