

CHILDREN'S MENTAL HEALTH WEEK

Throughout **Children's Mental Health Week**, Newham CAMHS Mental Health Support Team (MHST) are providing free training to school staff. We will also be sending out resources and information throughout the week - keep an eye out for more details!

Self-Harm and Suicide Prevention

This training is being offered on two separate dates and will support teaching staff and other professionals directly supporting children, to understand and work with people who are at risk of self-harm and suicide.

This is an in-person event. Please click one of the dates on the left for more details.

Understanding and responding to self-harm in primary school children

This workshop for primary school education professionals will help you to develop an understanding of self-harm presentations in primary school aged children, and the functions behind them, as well as explore staff anxieties and good practice in risk assessments and safety planning.

This is an online event. Please click the date on the right for more details.

For more details about these events and others, please [click here](#) to visit our event's page or scan the QR code
