

# RWI POLICY

## ABSTRACT

RWI is a systematic approach to the teaching of reading. With this approach, we aim to bring the world alive through the printed word.

***‘Thinking, independent, resilient learners.’***

POLICY DATE	Autumn 2021
REVIEW	September 2025

## **Phonics Intent**

### **Introduction**

This policy is intended to ensure that there is a consistent and progressive approach to the teaching of phonics throughout the school to meet the requirements of the National Curriculum.

### **Intent**

As a school, we teach synthetic phonics as the initial, and most important, approach to the teaching of reading. Our pupils learn to read effectively using the Read Write Inc. (RWI) Phonics Programme, which is a systematic programme for the teaching of phonics, reading, spelling and writing. We want all children to begin their journey to read with confidence and develop a love of reading for pleasure

We aim to ensure that **all** pupils:

- Decode letter-sound correspondences quickly and effortlessly, using their phonic knowledge and skills
- Read common exception words on sight
- Understand what they read
- Read aloud with fluency and expression
- Talk confidently about their books
- Spell quickly and easily by segmenting the sounds in words
- Learn letter formation and handwriting skills.

### **Implementation**

The RWI programme is delivered to:

- Pupils in EYFS to Year 2 who are learning to read and write
- Any pupils in Years 2, 3 and 4 who need to catch up rapidly are identified through benchmarking
- Struggling readers in Years 5 and 6 follow Read Write Inc. Fresh Start programme.

Pupils are taught to work effectively with a partner to explain and consolidate what they are learning. This provides the teacher with opportunities to assess learning and to notice difficulties, such as pupils' poor articulation, or problems with blending or alphabetic code knowledge.

We group pupils homogeneously, according to their abilities and progress in reading rather than their age.

In Reception, we emphasise the alphabetic code. The pupils rapidly learn sounds and the letter or groups of letters they need to represent them. Simple mnemonics help them to grasp this quickly. This is especially useful for pupils at risk of making slower progress. This learning is consolidated daily. Pupils have frequent practice in reading high frequency words with irregular spellings (common exception words).

We make sure that pupils read books that are closely matched to their increasing knowledge of phonics and the common exception words. This is so that, early on, they experience success and gain confidence as readers. Re-reading and discussing these books with the phonics teacher supports

their increasingly fluent decoding.

Alongside this, teachers regularly read a wide range of stories, poetry and non-fiction to pupils. Embedding the alphabetic code early on, means that pupils quickly learn to write simple words and sentences. We encourage them to compose each sentence aloud until they are confident to write independently. Children are encouraged to write every day.

Pupils write at the level of their spelling knowledge. The quality of the vocabulary they use in their writing reflects the language they have heard in the books the teacher has read to them; they have also discussed what the words mean.

Our aim is for pupils to complete the phonics programme as quickly as possible. The sooner they complete it, the sooner they will be able to choose books to read at their own interest and comprehension level.

#### **The RWI approach is taught considering the 5 Ps:**

**Praise** – Children learn quickly in a positive climate.

**Pace** – A good pace is the key to each session to ensure all children are engaged and on task.

**Purpose** – Every part of the lesson has a specific purpose.

**Passion** – This is a very prescriptive programme. It is the energy, enthusiasm and passion that phonics teachers put into the lesson that bring the teaching and learning to life!

**Participation** – A strong feature of RWI lessons is partner work and the partners 'teaching' each other.

#### **Early Years Foundation Stage**

##### **Nursery**

Children are introduced to single sounds from the autumn term. They listen to, learn and join in with chosen stories, rhymes, poems and songs to develop and then use this to role-play together, develop vocabulary and build sentences orally and make up stories through planned talk experiences.

In the summer term, the focus of learning at this stage is to learn the initial letter sounds and introduce oral blending through 'Fred Talk' throughout the day. This will progress to letter sound blending and segmenting for writing by the end of F1. Children are taught the correct letter formation using the RWI mnemonics and we ensure that children achieve the correct pencil grip. It is our aim that all children leave F1 being able to orally blend and know all initial letter sounds in set 1.

##### **Reception**

Children in Reception are taught daily phonics lessons. In the first four weeks, the initial sounds (Set 1 Speed Sounds) are taught in class groups. After this period, children are individually assessed and grouped homogeneously according to their stage. Children receive daily phonics teaching in these groups using the structured speed sounds lesson plan.

It is our aim that all children leave Reception at green RWI band to be on track to achieve the expected standard for the Year 1 phonics screening check.

## **Key Stage 1**

Children in Key Stage 1 continue to be taught phonics in small homogeneous groups, depending on their stage not age. They have a daily RWI lessons lasting 30 minutes. This lesson starts with a 10-minute speed sounds lesson which teaches oral blending, new speed sounds and revision of previous speed sounds, oral blending, decoding words, reading common exception words, decoding 'alien' (pseudo)words, and spelling. Children then read and comprehend a book, which is carefully matched to their phonics knowledge following a 3 day/5 day plan (depending on the stage).

Children are assessed at least half termly and those who are at risk of falling behind the programme's pace and expectations are identified early and additional 1:1 Fast Track Tutoring is put in place to ensure that these children keep up and do not have to catch up. The effectiveness of the sessions and the impact on progress, is regularly evaluated by the Reading Leader.

Children in Year 1 complete the phonics screening check at the end of the year.

It is our aim that children in Year 2 complete the RWI programme by the end of the autumn term in Year 2. Children who are identified as requiring further support will be included on the RWI 1:1 programme delivered by a member of staff trained in RWI.

All classrooms and teaching spaces across the school display the RWI Speed Sounds chart to support children with their reading and spelling.

## **Key Stage 2**

By the time children complete the transition from KS1 to KS2 we intend that they will have completed the RWI phonics programme. Their phonic development will continue to be explicitly taught through the school's spelling programme.

Those children who have not reached the expected level by the time they leave KS1 will continue to access the RWI programme and receive additional targeted intervention to ensure they catch up with their peers.

A small number of children may reach upper KS2 and continue to require support for reading will be assessed and complete a more age-appropriate phonics and reading programme called 'Fresh Start' which, like RWI, will teach the children the reading and comprehension skills required at this development stage in a more age-appropriate way using anthology texts rather than story books. Similarly, to the RWI programme, Fresh start pupils are frequently assessed, and progress is reviewed on a half-termly basis.

## **Assessment and Monitoring**

We assess all pupils following Read Write Inc. *Phonics* using the Entry and Assessment 1, at least half termly, and the Reading Leader rearranges groups accordingly. Regular assessments ensure that children receive targeted teaching quickly according to their needs. Children who are progressing through the programme quicker than their peers are moved into a different group and those who are at risk of falling behind the programme's pace and expectations are given additional support.

## **Parents/Carers**

We endeavour to involve and train parents/carers in supporting phonics and reading at home through workshops, information sessions, newsletters and online resources. Through the rigorous assessment of pupils through this scheme, we ensure that pupils select appropriate books to take home for reading.

### **Shared Vision**

A key element of the Read Write Inc. Programme is consistent whole-school practice. This is underpinned by continued professional development. The school ensures that all teachers and support staff in this approach to teach reading. All staff are trained in RWI and have access to the wealth of resources, via the Ruth Miskin school portal.
